

## Jessica Kamala-Mushala Biography

Mrs. Kamala-Mushala holds Bachelor of Science (Accounting) from Southern University (1985), Baton Rouge Louisiana and Masters of Business Administration (Finance) from University of District of Columbia (1988). She has certificate in IT Audit, Church Accounting Management and Grant writing. Mrs. Mushala founded JM Accounting Services LLC in 1998, JMC International Inc in 2013, and SHINA Inc, a non-for-profit Organization in 2002.

Mrs. Mushala's experience in forensic accounting, Management, Taxation and IT Audit, has helped many businesses to develop systems and strategies to help them to advance. Her knowledge of cultural, inter-global business partnerships and customers has helped expand markets for companies throughout the USA and abroad. This task is successful through the understanding of someone's culture, the related principles and regulations of an industry, needs of people to be accept as they are, in any language they speak, in order to present and express themselves and be understood.

Ms. Kamala-Mushala's personal and professional life experience has afforded her the opportunity to gain invaluable skills and insight in the areas of cross-cultural interactions, women's empowerment, youth leadership and training. This enabled her to have an in-depth understanding of what women are presently facing especially in Africa, and youth identity crisis in the USA. As an entrepreneur she has been able to focus on women's social advocacy issues with positive outcome(s) by promoting women's rights and income generating projects. Her passion is and has always been to create a bridge that supports the individual and social growth of children, youth and women in various communities demonstrating Social-economic and democracy development for the population we serve and stakeholders.

Mrs. Kamala Mushala is a Motivational Speaker and Trainer with a passion of giving back to communities by Helping The Most Vulnerable. Bringing the awareness to social issues has contributed to improving the lives of many around the global by bridging the gap to promote talent, ideas and leadership abilities of others. *"Sometimes the only hope left in a state of desperation is someone to care"*
